Compromising on nothing there's 4 reasons that make the adidas eyewear range not just a sport accessory but a true performance product; the Vision, Fit, Protection and Durability concepts.

### vision

#### 8-base decentered Vision Advantage™ PC Lens

Precise lens decentralization guarantees distortion free sight in all lighting and weather conditions.

### fit

#### Double-Snap Nose Pads™

For perfect fitting and protection / extended nose version available.

#### SPX™/Flex Zones™

SPX™ is an extra-light, breakproof material. Flex Zones™ provide an extremely comfortable fit.

### protection

#### Vision Advantage PC Lens™

The lightweight Polycarbonate lenses provide 100% UV protection, have strong resistance to impact forces and are of an optical quality 1 level.

#### Quick-Change Lens System™

Simple, fast but sturdy lens changing feature enabling wearer to adapt eyewear to all lighting and weather conditions.

### durability

#### Quick-Release Hinge™

This patented release mechanism for the temple hinges free the frame from possible strain or breakage. Temples easily reinserted.
